

St Brendan's RC Primary School

PE and Sport Premium Report 2024/2025

The Primary PE and Sport Premium is government funding designed to help schools enhance physical education (PE) and sport for all pupils. It supports high quality PE lessons, a wide variety of sports, extra-curricular clubs, and competitive opportunities, while promoting teamwork, confidence, and healthy lifestyles.

At St Brendan's RC Primary School, we are committed to ensuring every pupil benefits from these opportunities. This report outlines how the funding was used during the 2024/2025 academic year to enhance PE lessons, broaden sporting experiences, develop physical skills, and provide opportunities for competition and teamwork. It highlights spending, intended outcomes, implementation strategies, and the impact on pupils' engagement, confidence, and wellbeing.

Academic Year: 2024/2025

Total Funding Received: £17,780

Carry Forward from 2023/2024: £0

Total Available for 2024/2025: £17,780

Number of Pupils on Roll: 204 (Year 6 Pupils: 31)

Swimming and Water Safety (Year 6 Cohort)

Requirement	% of Pupils Meeting Standard
Swim competently, confidently, and proficiently over a distance of at least 25 metres	100%
Use a range of strokes effectively	100%

School Games Organiser (SGO) Activities	Entry into inter-school competitions and festivals	£100
Total Spent		£17,904
Overspend	School-funded	£124
Carry Forward to 2025/2026		£0

Intent – Plans for 2024/25

Through targeted investment in expert-led PE delivery, new equipment, and digital platforms, we intend to:

- Increase pupil engagement in regular physical activity and structured sport.
- Raise the profile of PE and sport across the whole school community.
- Broaden the range of sports and activities available to all pupils.
- Promote teamwork, resilience, and sportsmanship through both internal and inter-school competition.

Overall Goal: Create a positive, sustainable sporting culture where physical activity is valued, accessible, and central to pupils' personal growth and wellbeing.

Implementation – How We Will Achieve Our Plans

- Provide weekly PE lessons and after-school clubs led by qualified specialist coaches.
- Enhance curriculum delivery through educational platforms and digital resources that support planning, progression, and assessment.
- Invest in new PE equipment and resources to broaden opportunities for active play, skill development, and inclusive participation.
- Increase participation in competitive sport by engaging with the School Games Organiser network and attending inter-school festivals and competitions.
- Promote positive attitudes towards health and wellbeing by embedding physical activity across the wider school curriculum and celebrating sporting success.

Expected Impact and Sustainability

Expected Outcomes:

- Improved physical skills, confidence, and engagement through high-quality teaching, new equipment, and wider opportunities for sport and activity.
- Increased participation in clubs and competitions, supporting teamwork, wellbeing, and enjoyment of physical activity.
- Strong, sustainable PE provision through durable resources, staff development, and community partnerships.

Sustainability Measures:

- Staff development through ongoing collaboration with sports coaches and use of educational platforms.
- Long-term use of purchased equipment to support PE lessons and playtimes beyond 2025.
- Internal clubs and school-led activities that will continue independently of external funding.
- Strong local partnerships, including with the SGO network, to access competitions and training opportunities.

Monitoring and Evaluation

How We Will Know:

- Regular reviews of pupil participation, staff feedback, and lesson observations.
- PE lead will track engagement in curriculum and extracurricular activities.
- Ensure all pupils have equal access to opportunities.

Evidence Expected / Collected:

- Pupil participation data for curriculum PE, clubs, and competitions.
- Tracking progress in key physical skills, teamwork, and resilience.
- Photographic evidence and celebration events highlighting participation and achievement in sport via social media and in school assemblies.

Actual Impact / Sustainability Evidence:

- Pupils reported increased enjoyment and confidence in PE lessons and school sports, with positive attitudes reflected in surveys and feedback.
- Participation in inter-school competitions and internal sports challenges helped pupils develop teamwork, problem-solving, and resilience skills.
- Purchased equipment continues to support daily PE lessons and active play.
- Internal clubs and School Games participation are now embedded in the school routine, ensuring ongoing access to sport beyond 2025.
- Pupil participation logs, photographic evidence, celebration events, and social media posts highlighting sporting achievements.
