

St Brendan's RC Primary School

PE and Sport Premium Report 2025/2026

The Primary PE and Sport Premium is government funding designed to help schools enhance physical education (PE) and sport for all pupils. It supports high quality PE lessons, a wide variety of sports, extra-curricular clubs, and competitive opportunities, while promoting teamwork, confidence, and healthy lifestyles.

At St Brendan's RC Primary School, we are committed to ensuring every pupil benefits from these opportunities. This report outlines how the funding was used during the 2025/2026 academic year to enhance PE lessons, broaden sporting experiences, develop physical skills, and provide opportunities for competition and teamwork. It highlights spending, intended outcomes, implementation strategies, and the impact on pupils' engagement, confidence, and wellbeing.

Academic Year: 2025/2026

Total Funding Received: £17,730

Carry Forward from 2024/2025: £0

Total Available for 2025/2026: £17,730

Intent – Plans for 2025/26

Building on the strong foundations of 2024/25, we aim to deepen engagement, raise attainment, and enhance sustainability in PE and school sport.

Our key objectives are to:

- Increase participation in structured physical activity across all year groups.
- Raise the quality of PE teaching through specialist input and staff development.
- Broaden the range of sports and active opportunities, ensuring inclusivity and pupil choice.
- Promote physical and mental wellbeing through sport, teamwork, and positive attitudes.
- Embed a lasting sporting culture where physical activity is valued as part of everyday school life.

Implementation – How We Will Achieve Our Plans

- Deliver weekly high-quality PE lessons for all pupils through external specialist coaches, ensuring skill progression and engagement.
- Provide lunchtime and after-school clubs led by professionals to increase regular participation and support active lifestyles.
- Introduce new equipment to widen access to sport and enhance skill development across key stages.
- Invest in staff training and digital tools to support planning, assessment, and sustainability of the PE curriculum.
- Engage with the School Games network to expand participation in inter-school competitions and festivals.
- Promote health and wellbeing across the curriculum through active learning, wellbeing weeks, and celebration of sporting achievements.

Expected Impact and Sustainability

Expected Outcomes:

- Greater engagement in PE and active play across all ages and abilities.
- Improved pupil confidence, teamwork, and physical literacy.
- Increased participation in extra-curricular sport and competitions.
- Enhanced quality and consistency of PE teaching through collaboration and professional development.
- Stronger links with local sporting organisations and community events.

Sustainability Measures:

- Continued staff upskilling to deliver high-quality PE independently.
- Long-term use and maintenance of newly purchased equipment.
- Integration of wellbeing initiatives.
- Ongoing collaboration with local networks to ensure continued access to competitions and events beyond the current funding cycle.

Monitoring and Evaluation

How We Will Know:

- Regular reviews of pupil participation, staff feedback, and lesson observations.
- PE lead will track engagement in curriculum and extracurricular activities.
- Ensure all pupils have equal access to opportunities.

Evidence Expected / Collected:

- Pupil participation data for curriculum PE, clubs, and competitions.
- Tracking progress in key physical skills, teamwork, and resilience.
- Photographic evidence and celebration events highlighting participation and achievement in sport via social media and in school assemblies.

Actual Impact / Sustainability Evidence:

Evaluation of the impact of the 2025/2026 PE and Sport Premium is in progress.

Data on pupil engagement, physical skill development, competition participation, and sustainability measures are being gathered throughout the year.

A full review and evidence summary will be completed and published in July 2026.
